EXECUTIVE SUMMARY

This is the Environmental Protection Agency's (EPA) Second Irish Language Scheme and sets out a range of areas in which we are committed to improving Irish language services to staff and customers over the next three years. The Irish language is a vital and living part of Irish culture – increasing the use and knowledge of Irish as a community language and ensuring that as many citizens as possible are bilingual in Irish and English is an objective of Government policy. We recognise the role the EPA has in helping realise this objective, in particular by ensuring that in public services the use of Irish or English will be, as far as practical, a choice for the citizen to make.

We acknowledge that the successful delivery of existing and enhanced services in Irish is largely dependent on the Irish language skills and competence of our staff. We recognise that, in common with many other public sector organisations, the current complement of staff in the EPA with proficiency in the Irish language is relatively modest and that this presents a challenge to developing and improving our services through Irish. In this Second Scheme, therefore, the EPA is very much focused on encouraging and supporting the development of Irish language skills among our staff with a view to fostering the use of Irish in the workplace and ultimately increasing the core group of staff with proficient Irish language capability to facilitate the delivery of Irish language services as required.

In developing this Second Scheme, we are reaffirming and building upon the commitments given in the EPA's First Scheme. Specifically, we are committing to encouraging and supporting the development of Irish language skills among our staff, increasing our bilingual publications material and enhancing the provision of Irish language services via our various communication channels, including our social media channels and website content.

ACHOIMRE FEIDHMIÚCHÁIN

Seo í an dara Scéim Teanga de chuid na Gníomhaireachta um Chaomhnú Comhshaoil (GCC) agus leagtar amach inti raon réimsí ina bhfuilimid tiomanta do sheirbhísí Gaeilge a chur chun cinn don fhoireann agus do na custaiméirí thar na trí bliana atá romhainn. Is cuid thábhachtach agus bheo í an Ghaeilge i gcultúr na hÉireann; tá sé mar chuspóir i mbeartas an Rialtais úsáid na Gaeilge agus an t-eolas fúithi mar theanga phobail a mhéadú agus a chinntiú go bhfuil an Ghaeilge agus an Béarla ag an méid is mó saoránaigh. Tuigimid an ról atá ag GCC maidir leis an gcuspóir sin a bhaint amach, go háirithe trí rogha a thabhairt don saoránach Gaeilge nó Béarla a úsáid sna seirbhísí poiblí, chomh fada agus is praiticiúil é.

Tá sé le tabhairt chun fios dúinn go bhfuil an soláthar rathúil ar sheirbhísí reatha agus feabhsaithe trí mheán na Gaeilge ag brath go mór ar scileanna agus cumas Gaeilge na foirne againne. Tuigimid, cosúil le cuid mhaith eagraíochtaí eile san earnáil phoiblí, go bhfuil foireann reatha an GCC a bhfuil cumas sa Ghaeilge acu measartha go leor agus is dúshlán é seo i bhforbairt agus i bhfeabhsú ár seirbhísí trí mheán na Gaeilge. Sa dara scéim seo, mar sin, tá GCC ag díriú go mór ar spreagadh agus tacaíocht d'fhorbairt scileanna Gaeilge a chur chun cinn i measc ár bhfoireann chun úsáid na Gaeilge a chothú san ionad oibre agus grúpa foirne a bhfuil cumas sa Ghaeilge acu a mhéadú agus an soláthar atá ar sheirbhísí Gaeilge a éascú i ndeireadh na dála, de réir mar is gá.

Trí fhorbairt na dara scéime seo, tá athdhearbhaíocht agus forbairt á dhéanamh againn ar na gealltanais a tugadh mar chuid de Chéad Scéim an GCC. Go sonrach, Táimidtiomanta do spreagadh agus tacaíocht a thabhairt d'fhorbairt scileanna Gaeilgei measc ár bhfoireann, méadú a dhéanamh ar ár n-ábhar foilseacháin dátheangach agus feabhas a chur ar ár seirbhísí Gaeilge a chuirtear ar fáil trí chainéil áirithe chumarsáide, lena n-áirítear ár gcainéil ar na meáin shóisialta agus ár n-ábhar suíomh gréasáin.

1. INTRODUCTION

1.1 The Official Languages Act 2003 provides for the preparation by public bodies of a language scheme detailing the services that they will provide:

- through the medium of Irish,
- through the medium of English, and
- through the medium of Irish and English.

The scheme must set out how the public body intends to improve the level of service provision through Irish.

1.2 This is the Environmental Protection Agency's (EPA's) Second Irish Language Scheme. In addition to continuing with the provisions of the First Scheme and implementing the mandatory requirements of the 2003 Act and the 2004 Minister's Guidelines, the EPA commits to enhancing services and language competency among staff via the new commitments presented in this Second Scheme.

1.3 This Scheme has been confirmed by the Minister for Tourism, Culture, Arts, Gaeltacht, Sport and Media and commences on **02.02.2022**. In accordance with section 14(3) of the Act, language schemes remain in force for a period of three years or until such time as a new scheme is confirmed by the Minister for Tourism, Culture, Arts, Gaeltacht, Sport and Media, whichever is the later.

1. RÉAMHRÁ

1.1 Déantar foráil in Acht na dTeangacha Oifigiúla 2003 d’ullmhú scéime teanga ag comhlachtaí poiblí, ina sonraítear na seirbhísí a chuirfear ar fáil:

- trí mheán na Gaeilge,
- trí mheán an Bhéarla, agus
- trí mheán na Gaeilge agus an Bhéarla.

Ba cheart go leagfar amach sa scéim an bealach atá an comhlacht poiblí ag iarraidh feabhas a chur ar leibhéal sholáthar seirbhísí trí mheán na Gaeilge.

1.2 Seo í an Dara Scéim Teanga de chuid na Gníomhaireachta um Chaomhnú Comhshaoil (GCC). Chomh maith le forálacha na chéad scéime a leanúint agus riachtanais éigeantacha na hAchta 2003 agus treoirlínte an Aire 2004 a chur i bhfeidhm, tá GCC tiomanta do sheirbhísí agus cumas teanga a chur chun cinn i measc na foirne trí ghealltanais nua a léirítear sa dara scéim.

1.3 Tá an Scéim seo dearbhaithe ag an Aire Turasóireachta, Cultúir, Ealaíon, Gaeltachta, Spóirt agus Meán agus cuirfear tús leis an Scéim ar **02.02.2022**. I gcomhréir le halt 14(3) den Acht, fanfaidh scéimeanna teanga i bhfeidhm ar feadh trí bliana nó go dtí cibé am a bheidh scéim nua dearbhaithe ag an Aire Turasóireachta, Cultúir, Ealaíon, Gaeltachta, Spóirt agus Meán, cibé acu is déanaí.

2.3 Tá GCC tiomanta d'eiseamláir a thabhairt agus bainistíocht mhaith agus dea-chleachtas comhshaoil a thabhairt isteach inár ngníomhaíochtaí laethúla. Déanfaimid Córas Bainistíochta Comhshaoil (CBC) a chur i bhfeidhm agus a cothabháil, deimhnithe de réir chaighdeán idirnáisiúnta ISO14001, agus tá sé seo curtha i bhfeidhm againn ó bhí mí an Mhárta 2010 ann. Déanaimid iarracht feabhas leanúnach a chur ar ár dtionchar comhshaoil, agus an caighdeán seo á dtreorú, agus dá dheasca seo cosc a chur ar thruailliú agus feasacht chomhshaoil a spreagadh.

3. DEVELOPMENT OF EPA'S SECOND LANGUAGE SCHEME

3.1 In drawing up this Second Scheme, the EPA has given due regard to the guidelines issued by the Department of Tourism, Culture, Arts, Gaeltacht, Sport and Media. In advance of drawing up the Second Scheme, we have:

- carried out a review of the EPA's First Scheme 2016–2019;
- undertaken an organisation-wide staff survey;
- consulted with relevant business units and also staff who are competent Irish speakers;
- considered the public submissions we received from Conradh na Gaeilge and Údarás na Gaeltachta;
- undertaken a comparative study of other public organisations and bodies that have produced a second or subsequent confirmed language scheme;
- sought to emulate best practice in the development of the EPA's Second Scheme while reinforcing and building on commitments provided in the First Scheme.

3.2 In the EPA's First Scheme, the main focus was on building up a range of bilingual written and electronic communication materials/resources and delivering mandatory requirements of the Act as well as identifying Irish language competency among a cohort of staff to provide for delivery of services in Irish as/when required. An internal review of the EPA's First Scheme, along with feedback from public submissions and staff survey, found that there were further opportunities for service enhancement in terms of:

- encouraging/improving greater language competency;
- strengthening Scheme governance, monitoring and reporting;
- a modern approach to delivery of bilingual web content and communications overall.

In order to address and meet requirements, the EPA has identified a series of measures and commitments in this Second Scheme under the following headings:

- Publications/Materials provided bilingually and in English only;
- Enhancing the provision of Irish language services;
- Improving language capability.

While the extent to which some of the services that can be developed will be affected by actual demand for such services and progress in improving language capability, the EPA seeks to inspire public confidence through the measures and commitments outlined in this Second Scheme and to potentially unlock latent demand for services in Irish.

3. FORBAIRT NA DARÁ SCÉIME TEANGA AN GCC

3.1 Agus an Dara Scéim seo a dréachtú, tá aird chuí tugtha ag GCC ar na treoirlínte arna n-eisiúint ag an Roinn Turasóireachta, Cultúir, Ealaíon, Gaeltachta, Spóirt agus Meán. Sula tugadh faoin Dara Scéim a dhréachtú, rinneamar na nithe seo a leanas

- athbhreithniú ar chéad scéim an GCC 2016–2019;
- suirbhé ar fhoireann iomlán na heagraíochta;
- dul i gComhairle le haonaid ghnó ábhartha chomh maith le baill foirne a bhfuil cumas sa Ghaeilge acu;
- chuir muid aighneachtaí poiblí a fuarthas ó Chonradh na Gaeilge agus Údarás na Gaeltachta san áireamh;
- thug muid faoi staidéar comparáideach ar eagraíochtaí agus comhlachtaí poiblí eile a bhfuil dara scéim teanga nó scéim ina dhiaidh seo curtha i bhfeidhm acu.
- iarracht aithris a dhéanamh ar dhea-chleachtas i bhforbairt na dara scéime GCC chomh maith le gealltanais na Chéad Scéime a neartú agus cur leo.

3.2 I gCéad Scéim an GCC, díriodh go príomha ar cur leis an réimse ábhar/acmhainní cumarsáide

dátheangacha scríofa nó go leictreonach a chur agus ceanglais sainordaithe an Achta a sheachadadh, chomh maith le cumas Gaeilge a aithint i measc chohórt foirne chun seirbhísí Gaeilge a chur ar fáil nuair is gá. Thug athbhreithniú inmheánach ar an gCéad Scéim GCC, chomh maith le haiseolas ó haighneachtaí poiblí agus suirbhé foirne le fios, go raibh deiseanna sa bhreis chun an tseirbhís a fheabhsú maidir le:

- cumas níos fearr sa teanga a spreagadh/fheabhsú;
- rialachas Scéime a neartú, monatóireacht agus tuairisciú ;
- cur chuige nua-aimseartha do sholáthar ábhar dátheangach ar líne agus cumarsáid trí chéile.

Chun dul i ngleic le agus tabhairt faoi riachtanais, tá sraith beart agus gealltanais leagtha amach ag an GCC sa dara scéim seo faoi na ceannteideal seo a leanas:

- Foilseacháin/Ábhar curtha ar fáil go dátheangach agus sa Bhéarla amháin;
- Soláthar seirbhísí Gaeilge a chur chun cinn;
- Cumas teanga a fheabhsú.

Cé go mbeidh tionchar ag an éileamh iarbhír ar na sheirbhísí seo agus an dul chun cinn maidir le cumas teanga a fheabhsú, ar an méid forbartha gur féidir a chuir ar na seirbhísí, tá an GCC ag iarraidh an pobal a spreagadh de dheasca na bearta agus gealltanais atá leagtha amach sa dara scéim agus dul i bhfeidhm ar an éileamh folaigh atá ar sheirbhísí as Gaeilge.

4. PUBLICATIONS/MATERIAL PROVIDED BILINGUALLY AND IN ENGLISH ONLY

4.1 Review of Publications & Forms

- a) Further EPA publications and forms will be identified for provision bilingually.

Opportunities for the development of bilingual videos, animations and infographics will be identified.

4.4 Translation Services

The EPA will continue to use professional Irish translation services as/when required. In order to comply with best practice, the services of qualified translators (i.e. translators who have obtained Foras na Gaeilge's Seal of Accreditation for Translators) will be availed of where possible.

Aon uair a gcuirtear leaganacha Gaeilge agus Béarla dá gcuid féin ar fáil, cuirfear ráiteas leo ag tabhairt le fios go bhfuil leagan ar fáil sa teanga eile.

4.3 Físeáin/Gearrthóga Beochana/Grafaicí Faisnéise

Aithneofar deiseanna maidir le físeáin dátheangacha, gearrthóga beochana agus grafaicí faisnéise a fhorbairt.

4.4 Seirbhísí Aistriúcháin

Leanfaidh an GCC ar aghaidh ag baint úsáide as seirbhísí proifisiúnta aistriúcháin as Gaeilge de réir mar is gá. Chun cloí le dea-chleachtas, bainfear leas as seirbhísí aistritheoirí cáilithe (i.e. aistritheoirí a bhfuil an Séala Creidiúnaithe d’Aistritheoirí Fhoras na Gaeilge bainte amach acu) nuair is féidir.

6. CUMAS TEANGA A FHEABHSÚ

Mar atá leagtha amach thuas, tá GCC dírithe go háirithe ar spreagadh agus tacaíocht a thabhairt d'fhorbairt scileanna Gaeilge i measc ár bhfoireann. Le linn thréimhse na dara scéime, beidh acmhainní teanga, clár feasachta agus oiliúint a fhorbróidh agus a chuirfidh leis na scileanna Gaeilge atá ag an bhfoireann cheana curtha ar fáil ag GCC. Tá na mionghealltanais leagtha amach thíos.
