

Annual Report for the contained use of Genetically Modified Organisms (GMOs i.e. GM Animals) for 2024

A completed Annual Report for the year **2024** must be submitted to the EPA before **31st March 2025**.

Complete the form in accordance with notes 1-11 provided.

Annual reporting requirements	Annual reporting information
1. Name of user	
2. Contact e-mail address	
3. Address of premises	
4. GMO Register No.	
5. Project number (if applicable)	
6. Has there been any change to? <ul style="list-style-type: none"> ➤ GMO Register Entry ➤ Risk Assessment ➤ Containment measures applied 	Yes/No Yes/No Yes/No
7. If you have answered Yes to any of the points under Item 6, please provide details.	
8. Are these GM animals being inoculated with? <ul style="list-style-type: none"> ➤ GMMs ➤ Other biological agents (non-GM) 	Yes/No Yes/No
9. If you have answered Yes to any of the points under Item 8, please provide details.	
10. The total number of GMOs held in-house at the end of the 12-month reporting period to 31st December 2024.	
11. Provide details of decontamination/disposal procedures employed for GM animal remains.	

Notes:

1. Provide the name of the Principal Investigator under whose name the GMO contained use facility/activity is registered.
2. Contact e-mail address such that the Environmental Protection Agency may revert should further clarification be required.
3. Address of premises where GMO activity is carried out.
4. GMO Register No - This number may be referenced on the GMO consent issued by the Environmental Protection Agency in respect of the GMO contained use activity.
5. Where a number of different projects exist on the GMO Register Entry, please reference the project number to which you are referring. If necessary, use a different form for each project number.
6. Respond 'Yes' or 'No' to each of the three bullet points.
7. Where new GMO project work is being/has been undertaken, a Risk Assessment completed in respect of the new GMO must accompany this form.
8. Respond 'Yes' or 'No' to each of the two bullet points. Where the GM animal is being inoculated with GMMs, please specify the class of GMM being administered (Class 1, Class 2 etc.).
9. Where the GM animal is being inoculated with Class 2 GMMs or greater, simultaneously submit an Annual Report in respect of that GMM (Refer to 'Annual Reporting Form GMMs'). It is not required to submit an Annual Report in respect of the Class 1 GMM.
10. The total number of GM animals held in in respect of this GMO contained use activity up to the end of the reporting period 31st December 2024.
11. Provide details of decontamination procedures used for:
 - GM animals
 - GM animals inoculated with GMMs (if applicable)

If animal remains are being sent off site for purposes of decontamination, provide details of the healthcare waste contractor employed.

Please submit form to: GMO@epa.ie
